

## RS500 International Class Association

Email: [RS500treasurer@gmail.com](mailto:RS500treasurer@gmail.com)

Website: [www.RS500.international](http://www.RS500.international)

Dear RS500 sailor,

I hope you are doing well.

Unfortunately, the World Championship and Eurocup is cancelled this year.

The board hopes that we can still sail some events in autumn of this year. The international class has received information that the national RS500 classes are preparing the autumn events and we hope that their effort will be rewarded with great races with a lot of sailors. The RS500 international Class Association will keep you up to date through PeepI.

We as the board of RS500 International Class Association are busy with:

- Organizing an online e-sailing Eurocup event
- creating a great international racing calendar for the years 2021 and beyond.
- making sure that we are and remain a recognized international sailing class, for this we have to pay a considerable fee to World sailing.
- keeping our communication platform up to date, to keep you informed on the latest developments.
- improving our organizational structure. This spring the board registered the RS500 International Class Association as a legal entity.

Why is membership of the RS500 International Class Association important for you?

Membership of the RS500 International Class Association gives you the following benefits:

- Mandatory for participation in the RS500 World Championship
- Participation in Eurocup competition
- Voting rights in Annual General Meeting (this year likely to be online)
- Information about RS500 International activities through our platform PeepI
- Having a RS500 International class that operates and grows and flourish

Remark: In the past membership of RS association was needed for participation in the World Championship, this is NOT needed anymore.

To remain a member of RS500 International Class Association we ask you to pay your personal membership fee of **€17** before **June 30, 2020** on the bank account below

To: RS500 International Class Association
